Collect and analyze complex data to gain insights and make informed decisions

Sustainability Consultant

Help organizations develop and implement sustainable practices to reduce their environmental impact

APTITUDE ASSESSMENT

Aptitude is a person's natural ability or potential to learn and excel in certain areas without prior training. For high school students, understanding their aptitudes can guide them towards suitable career paths and academic choices. Recognizing one's strengths early helps in making informed decisions about future studies and professions, ensuring a more fulfilling and successful journey ahead.
